- **New Business.**

Bob Jobes and Bob King had a meeting with John Rohan to discuss our club and the growth.

He was very pleased to here that we are running a point series and that the club board members are the same for this year, and that we are having a swap meet and are asking the other r/c clubs to join us to make a big event out of it, and also that we are adding drag racing to our club.

The club made comitments to Rohan that we will continue to do the Out Door Expo witch is February 24-25. We will be racing on the 24th and will have tables inside to display our cars and talk to new people that might be interested in joining our club, so we will need some volinters to be inside and not race. We will also need people there for the 25th witch we will only have tables on the inside.

And continue with camp villages we are still waiting for what day we will have but we need to have more club members show up this year. We will have 12 kids so we need at least 12 cars and members to help the kids and we also need members to work as marshels.

The Rec dept. Is asking us to have a demo day so we show off our cars and how we race them. This is a great thing for the club to pick up new members
