There was some questions about the points standings so Dave and Bob are both working on it to get the points how there supposed to be.

We will have a drop weak for this point season before tha last race day.

Bob showed everyone how the club needs to bring in more money to be able to pay for the

expenses the club has, after a discussion with the members it was voted on and passed that our new yearly dues is \$25.00 and race day fees are \$5.00 for your first car and \$1.00 for each additional car.

Then Bob brought up that the club had to vote for board members Dave Allen suggested that all the board members be reelected for another year the membership voted and passed

We need to make sure that all cars have breaks and that everyone stops when the race director says stop. We will start having a person stand with the race director to help with calling cautions

Mike Roma and others will be judging a r/c car show next meeting so bring your cars to be judged and the awards will be handed out at the Christmas party. Mike did not say what he is judging on so just bring your cars as they are.
